

NORTH CAROLINA INTERNATIONAL
ASSOCIATION FOR IDENTIFICATION

The North Carolina International Association for Identification Awards and Goodwill Committee recognizes a member who has done an outstanding job on a case/event.

If you know a NCIAl member who has gone above and beyond the call of duty on a case/event, we would like to hear about it.

The case/event can be any type: latent, footwear, forensic, crime scene processing or just a BIG or involved case/event.

We understand that certain information may be sensitive to a case. So, please make sure the case has been disposed of in court or otherwise permitted to be publicized. We do not want to jeopardize any case or court proceeding.

The committee will accept emailed nominations through October 11th, 2024. The nomination email should include the following:

- ❖ Member's name, title, and agency
- ❖ Person making the nomination
- ❖ Date and location of the case/event
- ❖ Pertinent information/synopsis about the case/event
- ❖ Details about the member's notable actions and what they did that was outstanding

The winner will receive a personal award and the perpetual plaque with their name to display at their department/office until next year.

The nominees and the winner will be announced at the 2024 Conference Awards Banquet, October 29th, 2024, in beautiful Wrightsville Beach, NC.

Email your nomination(s) to:

bethpwilliamson@gmail.com

marie.fail@wake.gov

Please put "**Award Nomination**" in the subject line.
